

## **Three Dollar Book**

You have made this purchase at the request of a friend or colleague.

So you may wish to let them know that you have made the purchase.

The reason for their request was that they needed a sale to activate release of funds for their Internet Marketing activities at ClickBank.

ClickBank is one of the world's largest provider of ebooks (and software). These ebooks are 'how to' and information products with everyday appeal. You can view their [Marketplace](#) and make purchases, which you can access immediately, in the same simple way that you have made this three dollar purchase.

### **A Bonus**

Would you be interested in making money with ClickBank like your friend?

There are two ways and we have produced simple guides to start you off.

**1.** You can get paid commissions for 'selling' the products at the Marketplace. (Selling simply involves getting the word out about the products, you need no further involvement). This is the most common way that people make money on the Net and is called affiliate marketing. The great thing is that it's free to become a ClickBank affiliate
